Webster Board of Selectmen's Meeting – March 9, 2009

7:02 P.M. Roll Call – Present: Chairman George Hashem, Selectman Thomas Mullins and Selectman David Klumb.

The Board signed the payroll check and vendor manifests as well as the following for Administrative Assistant Judith Jones:

- Selectmen Klumb made a motion to accept the Selectmen's Minutes of February 23, 2009 as written; seconded by Selectman Mullins and unanimously approved;
- Signed a sick leave slip for Mrs. Jones;
- Acknowledged a vacation request from Police Chief Brian Milano;
- Signed the amended "Ordinance #3 Regulating Weight Limit" as proposed at the last meeting, which deleted individual road names and added "all roads as posted by the Road Agent in Webster..."; (The Road Agent recommended the roads be posted effective immediately until May 15 or sooner upon his recommendation. This will be posted ASAP and Mrs. Jones will find out if it is mandatory to put this notice in a paper of general circulation);
- A Timber Tax Levy for Mark Phillips;
- Purchase Order #6 for the Highway Department to E.W. Sleeper for plow wing parts in the amount of \$375.14; and
- Two 2008 abatements were reviewed and approved by the Board.

Financial Administrator Wendy Pinkham provided the month to date expenditures, noting that of course the budget items have not yet been voted upon.

Fire Chief Adam Pouliot, after talking with Louis Gangi of Battle Street, made a site visit to his proposed restaurant and advised the Board that all seemed in order for what has been done to date. Mr. Gangi provided Chief Pouliot with a copy of the blueprints. Mr. Gangi has completed the rough electrical, done by a licensed electrician, and plumbing and has made the facility weather tight. The State has inspected and signed off on the rough plumbing. Chief Pouliot has received approval of a grant from the Division of Forestry and Land for a floating pump, which can be carried in a back pack into places that a truck could not go and can draw from a very small amount of water. The Town will put up the funds and get reimbursed \$1,000 from the grant. Chief Pouliot will get a purchase order after the Town Meeting.

Mrs. Pinkham asked Chief Milano about the grant money expected in the amount of \$1,669 for the Police vests already purchased. Chief Milano expected the funds to be a direct deposit as soon as March 15<sup>th</sup>.

Police Chief Brian Milano presented his semi-monthly report to the Board.

Road Agent Emmett Bean noted that with the warm days that we had, it was difficult to plow the dirt roads as they were very rutted.

Mrs. Jones advised that Sue Barnes and Robin Lampron were willing to serve as Webster's Representatives to the Franklin VNA. Director Carol Plumb requested to meet the potential candidates first. This meeting will be set up by the candidates.

The Board agreed to meet with all those individuals involved in the building permit process and Provan and Lorber on Monday, March 23<sup>rd</sup> commencing at 6:30 P.M. to review the application process. Mrs. Jones will call Ted Kupper to invite him and will request that he return the Code Enforcement Books that belong in Chief Pouliot's office.

Sue McGinnis, a Pillsbury Lake Resident, inquired as to what happens if the exterior of a newly constructed home is not completed within 2-years as required. There is a home in the District approaching the time limit. The Board advised that they would keep watch on this structure located on Map 10-4-57, which a building permit was issued to in October of 2007.

7:38 P.M. Selectman Mullins made a motion to adjourn; seconded by Selectman Klumb and approved.
